MESSAGE FROM THE BISHOP OF BROOKLYN

“It is my wish that, in the week preceding the World Day of the Poor, Christian communities will make every effort to create moments of encounter and friendship, solidarity and concrete assistance. If there are poor people where we live who seek protection and assistance, let us draw close to them: it will be a favorable moment to encounter the God we seek.” - Pope Francis

Dear Friends of Catholic Charities,

On November 19, 2017, parishes around the world gathered together to mark the inaugural World Day of the Poor. Our Holy Father, Pope Francis, encouraged the Universal Church and its members to spend the week leading up to that day creating moments of “encounter and friendship” with people who are poor.

The care and dedication that Pope Francis has for the poorest among us is reflected throughout the year here in the Diocese of Brooklyn in the work of Catholic Charities Brooklyn and Queens. Since 1899, Catholic Charities has been changing lives and building communities as it serves its neighbors in need with mercy and compassion. Today, we sponsor more than 160 programs and services for children and youth, adults and seniors, the mentally ill and the isolated. In addition, we are one of the largest faith-based providers of affordable housing in the country, with more than 4,330 units for seniors, families, and the formerly homeless, including veterans, and those struggling with HIV and mental illness.

In the past year, we have increased efforts to address issues of poverty and promote justice in the communities we serve in Brooklyn and Queens, thereby empowering families and individuals to achieve greater self-sufficiency. Catholic Charities Brooklyn and Queens takes pride in extending a hand up to our neighbors in need; helping them get back on their feet, back on a path of independence. In doing so, we all are helping so many people in need retain their dignity.

In closing, I wish to thank our Board of Trustees, as well as our community and government partners, donors and supporters. Please know that your kind assistance throughout the year helps to preserve the dignity and quality of life of thousands of individuals and families throughout Brooklyn and Queens; thereby reducing hardships and changing lives.

Asking the Lord to extend His choicest blessings upon you for your generosity, and with an assurance of my remembrance of you in prayer and in the celebration of the Eucharist, I am

Sincerely in Christ,

Most Reverend Nicholas DiMarzio, Ph.D., D.D.

At the core of its mission, Catholic Charities seeks to enhance human development and effect positive changes in our society by advocating for and promoting social justice. Despite local and national challenges faced by all in the human services sector, we are happy to report several accomplishments in mental health, in educational standards, in revitalizing buildings and sustaining affordable housing with supportive services. Overall, these efforts help to transform not only individual lives, but also help communities as a whole.

In 2017, we expanded our Integrated Health and Wellness Services Division to better help individuals get back on their feet. Our Walk-In Center expanded its reach to serve more individuals in crisis by opening two more centers, in Jamaica, Queens and in Brownsville, Brooklyn. Not only did we open new doors, but we have also extended Walk-In Center hours so that the needs of the community are more adequately met. In addition, our new Mobile Outreach Walk-In Center van was established to reach more individuals and provide services in areas throughout Brooklyn and Queens where Catholic Charities does not have a physical site.

At Catholic Charities, we know that there is a direct connection between physical and mental health. We are thrilled to report that Catholic Charities received $2.6 million in funding from New York State to expand our Flatbush Addiction Treatment Center to offer co-located comprehensive primary care and behavioral health services at the facility. We also began serving youth as young as 12 years old to give this fragile population a better chance at life.

In addition, our Integrated Health and Wellness Services, along with our affordable housing division – Catholic Charities Progress of Peoples Development and Progress of Peoples Management – celebrated the last renovation of three single room occupancy buildings (the Bishop Thomas V. Daily Residence, the John J. Farrell Residence and the Bishop Joseph M. Sullivan Residence) which began in 2011. The renovations included new individual apartments, renovated lobby space as well as new common areas and meeting rooms for a total...
of 255 formerly homeless individuals. Each building reflects a philosophy that encourages individual self-sufficiency within the context of a supportive community.

Our Family and Community Services Division – reorganized in 2017 for an ease of access for those in need of Early Childhood Education, Family Stabilization and Senior Services – gained recognition from our funders for our quality programming and services.

It is an honor to share that in February 2017 the Federal Office of Head Start rated our Early Head Start and Head Start programs a high performing grantee agency. We are 100% in compliance with regulations. The comprehensive monitoring process is typically completed within the first three years of the grant; however, we received all the federal reviews within two years.

We were also selected by the New York City Administration for Children’s Services and the Department of Social Services to pilot the future launch of a homelessness prevention initiative. Catholic Charities has historically provided a continuity of service for each family, ensuring that their needs are addressed in one process. Catholic Charities looks forward to being a part of the ACS-DSS Initiative at our East New York Homebase Program – the Dr. Elizabeth Lutas Center for

FAMILY AND COMMUNITY SERVICES DIVISION

FAMILY STABILIZATION PROGRAMS
Family Stabilization Programs help adults and families navigate the difficulties of daily life. The Homebase Homelessness Prevention Programs help people in danger of losing their homes, while our WIC Programs provide support and nutritional services to women, infants and children. Families learn to build self-confidence and independence through counseling, parenting classes, life skills training, adult literacy, job readiness training and career counseling. For young adults, Catholic Charities offers the Young Adult Internship Program and the Summer Youth Employment Program.

EARLY CHILDHOOD SERVICES
For young children and their parents, the Early Childhood Services at Catholic Charities offer comprehensive quality programs. Staff members foster the social, emotional, physical and cognitive development of preschoolers through Head Start, Child Care and Family Child Care. Our Early Head Start programs provide services to low-income pregnant women to promote healthy prenatal outcomes. In addition, our Family Child Care Head Start offers quality programs providing preschool children with a family-oriented child development program.

SENIOR SERVICES
At Catholic Charities, seniors can improve the quality of their lives while continuing to live in their own communities. Programs include senior centers, senior housing, social adult day programs for seniors diagnosed with dementia or Alzheimer’s disease, transportation services, friendly visiting, home-delivered meals, depression and substance abuse screening, intensive case management and home care services. In addition, more than 2,800 older adults live in one of our affordable senior apartments. At our senior centers, older adults receive nutritious meals and participate in a wealth of daily activities.
Families. Catholic Charities will be facilitating the training of ACS Prevention frontline staff with the goal of further fortifying families in New York City.

Catholic Charities was also pleased to be contracted by the NYC Department of Youth and Community Development to provide a record number of 1,000 youth with jobs through the Summer Youth Employment Program.

Also, as part of a new initiative to restore New York City Housing Authority’s Ocean Bay Apartments in Far Rockaway, Queens, which were badly damaged by Hurricane Sandy, Catholic Charities was selected as its social services provider. The project will include the implementation of a comprehensive social service framework designed to empower the 4,000 residents to live fuller, healthier lives and reach their full potential.

Catholic Charities has made it our mission to engage our seniors in community issues so that our senior voices are heard on issues that impact their lives and are important to them. This year, our senior centers and other nonprofit organizations stood together at New York City Hall to rally for aging services.

Finally, advocacy is a big part of our mission to promote justice in our society. Throughout the year, we have stood beside our neighbors to advocate for an increase and to sustain funding for the human services sector, to fight for agricultural workers, and to rally for anti-hunger and increase food security. Catholic Charities also lobbied at many hearings to garner support to pass a critical zoning law that would allow affordable housing developers to build more senior housing on the site of unused parking lots.

These and more are only possible with the help of our donors and our volunteers. We thank our faithful supporters for their commitment as we look forward to meeting the challenges of next year and answering our call to help the most vulnerable among us.

Sincerely,

Reverend Monsignor Alfred P. LoPinto
President & CEO
Catholic Charities Brooklyn and Queens and Subsidiary Agencies
Since 1975, Catholic Charities Progress of Peoples (CCPOP) Development Corporation, the affordable housing developer of Catholic Charities Brooklyn and Queens, has been transforming vacant land and buildings into affordable housing units and transforming the lives of individuals and families. In the past 37 years, CCPOP has completed more than 4,330 units of housing for low-income older adults, families, formerly homeless individuals, those with HIV and those struggling with mental illness. Family and senior housing buildings are a priority, which is why Catholic Charities remains committed to creating homes throughout Brooklyn and Queens.

Catholic Charities believes that a safe and affordable home is a necessity, and provides residences where adults are able to live independently and affordably. As the largest provider of affordable senior housing, Catholic Charities offers 23 senior housing buildings with 2,186 units, five family housing buildings with 1,068 units, four residences for formerly homeless adults offering 433 units and more than 60 units of housing for formerly homeless veterans. Residents take part in a wide range of activities and events which provide opportunities for education, socialization and recreation.
CATHOLIC MIGRATION SERVICES

Founded in 1971, Catholic Migration Services serves the needs of immigrants and refugees living in Brooklyn and Queens. Highly trained staff address the needs of immigrants by providing legal assistance on immigration, housing and workers’ rights. Immigrants from 167 countries are served regardless of religion, race, or immigration status. Catholic Migration works directly with the various Ethnic Ministries of the Diocese to empower these communities and ensure that pastoral needs of immigrants are being addressed.

SAINTS JOACHIM & ANNE NURSING AND REHABILITATION CENTER

Saints Joachim & Anne Nursing and Rehabilitation Center, Brooklyn’s only Catholic nursing facility, is a 200-bed, seven-story home overlooking the Atlantic Ocean in Coney Island. Elderly residents receive 24-hour, high-quality nursing and medical care from board-certified physicians including post-acute and short-stay, long-term care, rehabilitation services, general medical care, medical subspecialties, bariatric care and holistic therapy, ventilator and tracheostomy care, specialized diet, recreation and pastoral care. The modern facility boasts an oceanside café and a large landscaped garden with panoramic views of the Atlantic Ocean.
Since 1899, Catholic Charities Brooklyn and Queens has been providing quality social services to the neighborhoods of Brooklyn and Queens, and currently offers over 160 programs and services for children, youth, adults, seniors and the mentally ill.

The most common requests for immediate services are rent, utilities and other forms of financial assistance, mental health services, and housing/shelter.

The age group of the people with the highest emergency requests are between the ages of 25-64.

Our new Open Access Initiative at our Behavioral Health Clinics has allowed us to provide treatment to twice as many New Yorkers in need of mental health services.

Catholic Charities Brooklyn and Queens has the language capacity of English, Spanish, Creole, Russian and Chinese. Having multilingual centers reduces barriers faced by many people in the community.

Catholic Charities Brooklyn and Queens is one of the LARGEST providers of affordable housing in the nation with 4,330 affordable housing units with supportive services for seniors, families, the formerly homeless, those with HIV and those struggling with mental illness.
