JULY 2021 Newsletter

Welcome back

We hope that you and your families are remaining healthy and safe during these challenging times. In our reopening, our primary concern remains the health and well-being of our seniors, and everyone affiliated with our program. The CCNS Lodge Senior Center reopened on June 25, 2021 for Case Assistance Services, and on June 30th for Grab & Go Meals. We are in the process of contacting contractors to assess the situation. Proper air filtration is especially important at this time. Catholic Charities has made the decision for everyone who comes into the center to continue wearing masks, and maintain social distancing. We will update you on any policy changes.

We look forward to welcoming our seniors, consultants, and volunteers back as we resume regular activities. We continue to be guided by state, local health officials, Catholic Charities Brooklyn & Queens, and DFTA to keep you safe.
