Let Us Dream
A Virtual Lenten Retreat

Monday, April 4, 2022, 10 AM — 12:30 PM

Our free virtual Zoom retreat will center on Pope Francis' 2020 book, *Let Us Dream*. In the spirit of finding opportunities in the midst of crisis, we will journey together with conversation and guided reflection through the challenges amid COVID-19. We will reflect on the social issues connected to this and our response to the economic struggles, the experiences of discrimination and the political and social divisions that still affect us. We will conclude with ways to collaborate in promoting social ministry within the parish community.

We encourage Pastors, Administrators and Social Ministers to register. Space is limited. <http://www.ccbq.org/lentretreat>
