VIRTUAL PROGRAMMING

Due to COVID-19 our Older Adult Centers and programs have moved our incredible activities and classes online. Older adults can now connect to their peers and attend classes and activities either online over platforms such as Zoom or in some cases, over the phone.

Catholic Charities Brooklyn and Queens virtual program offerings range from art and exercise classes to lectures, discussion groups, and other services. Caregivers can also find links to webinars and classes about caregiving issues at our Social Adult Day Care programs.

In addition, our staff members keep in touch with the seniors through streamlined communication tools that are user-friendly to seniors, including text, e-mail, and robocalls. Through this system, we are able to keep in close contact about entertainment and programming, event announcements, regular communication, doctor's appointment reminders and more. Communications are available in English, Spanish, Chinese and other languages as needed.

For more information about virtual activities within a specific location, please contact the center directly.
