Mobility Mentoring provides families with services needed to achieve goals based on personal aspirations. Mentors are here to assist with the challenges of parenting today by engaging in a participant directed partnership designed to optimize the family strengths, focusing on finances, family stability, well-being, education, training, and employment.

❖ **Incentives are provided upon achievement of certain goals.**

Services Include

- Help with family relationships (parent-child, sibling)
 - Family time activities
 - Parenting and Teen Support Groups
 - Financial Management Support
 - Education & Training Support
 - Housing support
 - Employment & Career Support
 - Support with concrete needs
 - Advocacy & Assistance with entitlements
 - Crisis Intervention
- ❖ Referrals accepted for families/children from community agencies (schools, hospitals, youth programs, precincts), other organizations and self-referrals.
